

BIKE NORTHLAND BOARD

Clare Davies-Colley Treasurer Re-appointed 2021	Will McNabb Secretary Appointed 2023	Rebecca Teal-Ireland Board Member Appointed 2023	Paul MacDonald Chairperson Appointed 2021	Peter Houba Board Member Re-appointed 2022
<p>Clare is an experienced SME Director of over 25 years. She is actively involved in management and governance in companies with interests in property developments, marine developments, leasing, and engineering. Clare is committed to good governance practices and ensuring sound financial management in all types of organisations including those that are community funded. Previous community Board appointments include Northtec, WBHS, Toll Stadium, Sport Northland, and others. Clare is a keen recreational cyclist and enjoys being part of a community group whose vision is to improve opportunities for all types of cycling in Northland.</p>	<p>Will works as a bylaws strategic planner at Whangarei District Council, where he leads the statutory reviews of Council's gamut of bylaws. In a former life he spent 12 years translating economic analysis and market commentary for French banks and multilateral organisations. He brings a passion for bike riding in urban environments and previous governance experience on the board of the New Zealand Society of Translators and Interpreters. Will loves riding his bike for most daily trips, often with his son on the back, and believes that Northland's towns would be better places if more people felt safe enough to do the same.</p>	<p>Rebecca works as a project manager and analyst for Abley a NZ Transport Engineering Consultancy. With over 13 years' experience in engineering consultancies. She has a background in Asset Management and GIS, with experience in projects investigating trail feasibility and business cases. In her spare time Rebecca enjoys dragging her 3 young children out for bike rides, and she is also a keen mountain biker. Rebecca is passionate about the development of more regional offroad trails in Northland and continuing to promote Northland as a cycling holiday destination.</p>	<p>Managing director of Nuca Ltd, providing advice to community and sports organisation on governance, program and project management. Paul's governance experience spans community-based boards, Ahi Kaa, and sports groups. He has a wealth of experience as a Parks and Recreation Manager for 12 years at Whangarei District Council where he provided advice on community and sport matters; was involved in planning initiatives such as the Walking & Cycling Strategy, Great Cycle Trail, Pohe Island Master Plan and Hatea Loop; and managed infrastructure district wide. Paul is a keen mountain-biker.</p>	<p>With over 30 years' experience as a Chartered Civil Engineer, Peter has gained a wealth of knowledge in consulting and construction of public infrastructure. He has experience in all aspects of infrastructure engineering, asset management, construction, contract, and project management, and has been instrumental in Bike Northland's recent Bike Park development at Pohe Island. Peter is an advocate for better and integrated cycleways in Northland with a focus upon the community and economic development of Northland. He also enjoys getting out on a bike.</p>
