

# BIKE NORTHLAND BOARD

			
<p><b>Clare Davies-Colley</b></p> <p><b>Chairperson</b> <b>Re-appointed 2025</b></p>	<p><b>Cliff Mail</b></p> <p><b>Board Member</b> <b>Appointed 2024</b></p>	<p><b>Rebecca Teal-Ireland</b></p> <p><b>Board Member</b> <b>Appointed 2023</b></p>	<p><b>Leah Goodhew</b></p> <p><b>Treasurer</b> <b>Appointed 2025</b></p>
<p>Clare is an experienced SME Director of over 25 years. She is actively involved in management and governance in companies with interests in property developments, marine developments, leasing, and engineering. Clare is committed to good governance practices and ensuring sound financial management in all types of organisations including those that are community funded.</p> <p>Previous community Board appointments include Northtec, WBHS, Toll Stadium, Sport Northland, and others.</p> <p>Clare is a keen recreational cyclist and enjoys being part of a community group whose vision is to improve opportunities for all types of cycling in Northland.</p>	<p>Cliff lives in Kerikeri where he is involved in the creation / restoration of a contiguous native habitat corridor along the Wairoa Stream. The community group have created 5km of walking access along the stream. The project has drawn involvement from various groups including local schools. It is an ongoing project. Cliff also helps several other community groups with their web and social media presence and also worked with a small sub-group formed by Our Kerikeri to look at urban, recreational and tourist, cycling and multi-modal needs of the local area which currently has very limited and disconnected infrastructure. Cliff is a keen recreational cyclist, hiker and photographer. During the summer of 24/25 he and his wife, Ruth, cycled 7,500km around NZ on a tandem bicycle. They also raised funds for a local charity during the ride.</p>	<p>Rebecca works as a project manager and analyst for Abley a NZ Transport Engineering Consultancy. With over 13 years' experience in engineering consultancies. She has a background in Asset Management and GIS, with experience in projects investigating trail feasibility and business cases.</p> <p>In her spare time Rebecca enjoys dragging her 3 young children out for bike rides, and she is also a keen mountain biker.</p> <p>Rebecca is passionate about the development of more regional offroad trails in Northland and continuing to promote Northland as a cycling holiday destination.</p>	<p>Leah has been on several Boards and Committee's over the years. Including Treasurer - School Board of Trustee and Whangarei Pony Club, President of Northland Gymnastics, President Squash Northland, and served on the Squash NZ Board during a time of structural change.</p> <p>Leah has a background in accounting having worked for Yovich, Hayward and Erc Angelo. She and her husband brought the GJ Gardner Homes franchise to Northland and had a successful company for 14 years. She is a keen e-biker, having enjoyed many trails around NZ and Australia. Leah is keen to get some good trails in Northland. She is working on getting an old forestry road up to speed for the casual biker/walker/runner and horse riders. Also looking at re opening an old trail from Hikurangi to Main Rd, Kauri.</p>
